

HAZE FUNDING

CAPITAL FOR YOUR NEXT STAGE OF GROWTH

BUSINESS CREDIT · EIN-BASED · FUNDING READINESS

Build business credit that stands on its own.

Strong business credit separates your company from your personal finances and opens the door to better funding readiness. Our guided program walks you through it, step by step — so your business builds its own track record.

How the program works

01

Separate & structure

Set your business up the right way — EIN, structure, and the foundations lenders look for.

02

Build tradelines

Establish EIN-based credit with vendors and accounts that report to the business bureaus.

03

Strengthen & grow

Build a stronger business credit profile over time and move toward funding readiness.

What you get

- ✓ **A clear roadmap.** Know exactly what to do next — no guesswork, no confusion.
- ✓ **Guided support.** Help at each step as you build EIN-based credit and tradelines.
- ✓ **Funding readiness.** Position your business to qualify for stronger options down the road.
